PL PRODUCT FEATURES

BYPass Installation

This PL V lamp requires bypassing the ballast during installation and runs directly off line voltage to eliminate compatibility problems, incidental power loss, lifetime issues, and maintenance costs associated with ballasts.

Innovative Round Design - Patent Pending

GREEN CREATIVE PL V LED Lamp

Other PL V LED Lamp

The PL V lamp features a patent pending fully round design. Compared to other square shaped PL vertical lamps, the GREEN CREATIVE PL V improves the overall light output and aesthetics of the fixture.
